

Public Service Announcement

By Moore County Clerk and Moore County District Clerk

At this time, the following actions are necessary to help protect the public and aid in the prevention of the spread of COVID-19. In order to protect our staff so that we may continue to serve you, the Moore County Clerk and Moore County District Clerk are taking precautionary measures to modify services and availability to the public.

EFFECTIVE: Friday, March 20, 2020, the Clerks' offices will not assist customers in-person UNLESS they have an actual court hearing on that date or a pre-arranged appointment. This new policy will be in effect until further notice. We are monitoring the situation to determine changes or adjustments as needed.

We will continue to assist all judges, attorneys, and court personnel as needed. We request all customers to call for assistance. Each request will be decided on a case by case basis and immediate need. If you are given an appointment, we ask that you please do not bring children or anyone under the age of 18. These appointments will be restricted to only the party or parties involved. If you are sick, recently exposed to anyone who is sick or show signs of being sick, please do not attempt to make a physical appearance in our offices. We are requesting payments to be made by phone. The clerks' offices will still be operating, answering phones, and processing e-files into judicial cases.
