

**CERTIFICATION OF 1ST TEST OF
AUTOMATED TABULATING EQUIPMENT**

I, Brenda McKenna, the presiding judge of the central counting station do hereby certify that the test of the automated tabulating equipment to be used to count the ballots for the General Election to be held on 11-8-22 was conducted by a pre-audited group of ballots marked to record a predetermined number of valid votes for each candidate and on each measure. The test also included ballots which had votes cast in excess of the number allowed by law in certain races, in order to determine the ability of the automatic tabulating equipment to reject such votes and ballots with other improper votes.

The test was successful and was concluded at 10:00 A.M on 10-19-22
