Section 11. Additional Information Required by Section 3.009 of the Election Code.

(a) District's Outstanding Debt. As of the effective date of this Order, the District's aggregate principal amount of outstanding of tax-supported debt was \$16,539,999.90 and the aggregate amount of outstanding interest on such tax-supported debt was \$5,218,358.60. The District's total ad valorem tax rate for the current fiscal

year was \$1.40, which is comprised of a maintenance and operations tax rate component of \$0.93 per \$100 of taxable assessed valuation and a debt service tax rate of \$0.47 per \$100 of assessed valuation. The District's taxable assessed valuation for calendar year 2021, as of the date that the current tax rate was established, was \$267,591,788 for maintenance and operations tax purposes and \$267,591,788 for debt service tax purposes.

(b) Issuance of New Debt. The District intends to issue the bonds authorized by the Proposition over a period of years in a manner and in accordance with a schedule to be determined by the Board based upon a number of factors, including, but not limited to, the then current needs of the District, demographic changes, prevailing market conditions, assessed valuations of property in the District and management of the District's short-term and long-term interest rate exposure. Market conditions, demographics and assessed valuations of property vary based upon a number of factors beyond the District's control and the use of variable rate debt involves periodic adjustments in interest rates that vary based on market conditions and contractual obligations. Therefore, the District cannot and does not guarantee a particular interest rate or tax rate associated with the bonds authorized by the Proposition. As such, the information contained in this paragraph is provided solely for illustrative purposes and does not establish any limitations or restrictions or create a contract with the voters. The District estimates that, based on the District's current taxable assessed valuation, current market conditions and estimated future growth in the District's taxable assessed valuation, if all of the bonds authorized by the Proposition were issued in accordance with the District's current project finance plan, the maximum interest rate on the bonds is not expected to exceed 4%.

(c) Additional Information. The additional information required by Section 3.009 of the Code is located in Sections 2 and 3 of this Order.

Section 12. Voter Information Document. The President of the Board, the Superintendent of the District, or their designee, acting on behalf of the Board, in consultation with the District's General Counsel and bond counsel, is hereby authorized and directed to provide a voter information document, in the form prescribed by Section 1251.052(b), Texas Government Code (the "Information Document").

The President of the Board, the Superintendent of the District, or their designee, acting on behalf of the Board, is further authorized and directed to post the Information Document in the same manner as provided for notice of the Election under Section 9 of this Order, and additionally on the District's website in an easily accessible manner beginning not later than the twenty-first (21st) day before the date set for the Election and ending on the day after Election Day.

Section 13. Internet Posting. Notice of the Election shall be posted to the District's internet website not later than the 21st day before the election, in compliance with Section 4.009, Texas Election Code, as amended.

Section 14. Necessary Actions. The President of the Board, the Superintendent of the District, or their designee, acting on behalf of the Board, in consultation with the District's

General Counsel and bond counsel, is hereby authorized and directed to take any and all actions necessary to comply with the provisions of the Code and the Federal Voting Rights Act in carrying out and conducting the Election, whether or not expressly authorized herein, including making changes or additions to polling places or procedures to the extent required or desirable as determined by the County Election Officials or as may become necessary due to circumstances arising after the date of this Order.

Section 15. Severability. If any provision, section, subsection, sentence, clause or phrase of this Order, or the application of same to any person or set of circumstances is for any reason held to be unconstitutional, void, invalid, or unenforceable, neither the remaining portions of this Order nor their application to other persons or sets of circumstances shall be affected thereby, it being the intent of the Board in adopting this Order that no portion hereof or provision or regulation contained herein shall become inoperative or fail by reason of any unconstitutionality, voidness, invalidity or unenforceability of any other portion hereof, and all provisions of this Order are declared to be severable for that purpose.

Section 16. Appointment of Election Officers. The Election Officers are hereby appointed Election Officer for the District and agent for the custodian of voted ballots in the respective jurisdictions.
